2,460m²

N/A

Located in the prestigious residential area of Hacienda Las Chapas, this exceptional six-bedroom villa occupies a peaceful cul-de-sac position and has been completely renovated to an outstanding standard. Set behind electric gates, the property is approached via a sweeping driveway leading to a double garage, with additional parking for up to three further vehicles. Built in 2019 and occupying a substantial private plot of 2,460 m², the villa offers an impressive built size of 537 m² together with beautifully landscaped tropical gardens and extensive terraces designed for luxurious Mediterranean living.

The property has recently undergone a comprehensive renovation programme including brand new
