Villa in Marbella

€2,750,000

5	5	639m²	1,368m²	N/A

Conceived as an architectural masterpiece that fuses the essence of Usonian design with contemporary Andalusian elegance, this detached villa represents an exceptional opportunity to create a truly unique residence in one of the most exclusive locations on the Costa del Sol. Currently under construction, the property offers the possibility of customizing finishes and interior details, adapting them to a sophisticated and thoroughly Mediterranean lifestyle.

Spread over three levels and with 483 m² of living space on a generous 1,368 m² plot , the property has been designed to maximize spaciousness, light, and connection with the exterior. The impressive double-height entrance hall, accompanied by an elegant cantilevered circular staircase,
