Modern semi-detached house located in a quiet area of San Fulgencio, set on a plot with a private swimming pool and outdoor space designed for relaxation. The home has been designed so that the garden becomes a natural extension of the living area - large windows provide plenty of natural light and create bright, spacious interiors that feel open to the surroundings.

The property is distributed over two levels.

The ground floor features a spacious living room with an open-plan kitchen, with direct access to the garden. This level also includes two separate bedrooms, a bathroom accessed from the hallway, and a separate utility room intended for laundry and additional storage.
