This development is a residential complex designed to enjoy the Mediterranean climate. Each villa features magnificent terraces, a solarium, and a beautiful designer garden with a pool. With an unbeatable orientation, it is located near the beach and within a well-established urbanization that offers sports facilities and leisure areas.

The homes have spacious rooms distributed over two floors. On the ground floor, connected to the garden, there is a bright living-dining room with an open kitchen, as well as a master bedroom and a bathroom. On the first floor, there are two additional double bedrooms, each with its own bathroom. A fantastic solarium completes the property on the rooftop.
