Country House in Ronda

€477,500

4	2	305m²	10,304m²	N/A

Set in the natural surroundings of Ronda, directly alongside the road connecting the town with Setenil de las Bodegas, this rustic estate occupies a plot of more than one hectare, an increasingly rare size that ensures privacy and a close relationship with the landscape. The land is fully levelled and planted with olive and vineyards , lending maturity, character and a sense of permanence that only well-established properties can offer. From every point of the finca, open panoramic views unfold, reinforcing a constant connection with the surrounding countryside.
The existing buildings comprise a residential area together with a space that previously operated as a restaurant, opening up a wide range of...(Ask for More Details!)
