residential plot within 5 minutes walk to Mijas Pueblo,
 ear marked for 30 apartments,
 the land is classified as urban but the current owner is still working the the townhall to make sure the
 land would be ready to build within 18 months
 amazing views from all apartments and good road access
 owner is prepared to share complete file and access to his architect to discuss further with any
 potential buyers,
 if the land was ready to build immediately it would be worth at least double this price so some
