Not for sale before October this year due to rentals over the summer but possible to be purchased before.

Viewing can be arranged between the in and out rentals but seeing the outside and gardens we can do always.

The townhouse is on 4 levels with ELEVATOR. 2 levels of living area + 1 level for underground parking for 2 cars, lavatory and a large storage room. On the roof terrace you have your own splash pool, sunbeds and and sitting area with panoramic views.

The house is of modern design and has an open plan kitchen and a good sized livingroom
