In this exceptional location, just five minutes from the beaches and right next to the motorway, on a sloping plot of just over 5,000m² (ideal for fruit trees, though currently not in production), stands this beautiful rustic-style house, built in the traditional Andalusian cortijo design, with a total built area of around 190m².

On a single floor (125m²), the house offers three bedrooms and two bathrooms (the master en-suite), a living-dining room with fireplace, and direct access to a charming porch (30m²) and a large terrace/solarium (106m²). Here you will find the swimming pool (22m²) and a cozy chill-out area, all with magnificent views of the mountains and the sea.
