Corner semi-detached home in a privileged setting with sea views in Doña Julia Village

In one of the areas with the greatest growth potential on the Costa del Sol, within the well-maintained urbanisation of Doña Julia Village, we find this spacious corner semi-detached home, offering approximately 220 m² built on a 249 m² plot. A property designed for those seeking space, comfort and quality of life close to the sea, in a peaceful, residential and well-connected setting.

The Doña Julia area is located in Casares Costa, very close to Estepona, with easy access to the A-7 and surrounded by golf courses, green areas and high-quality new residential developments. Its
