We are selling in exclusivity this unique corner apartment that has been completely refurbished with attention to details, high standard and quality materials. This 3 bedroom 2 bathroom spacious and sunny property has L shaped south west facing terrace (with some sea views and nice green detached views), private underground parking in the communal garage and private storage. Located on a second floor and with an elevator in the building. Upon entering you see open space, with open plan kitchen with an island, round dining table and cozy sofa corner. The kitchen is from a famous Danish brand, with Siemens appliances, real stone counters and it has integrated washing machine,...(Ask for More Details!)
