We offer a spacious 63 m² apartment with 2 bedrooms, located on the ground floor of a modern gated complex from 2021, equipped with a year-round swimming pool and a private patio. The apartment is perfect for comfortable living as well as a profitable investment. Upon entering, there is a hallway, on the left a bathroom with underfloor heating and a window, which increases comfort of use. The main space combines a living room with a lounge and dining area and an open kitchen with a kitchen island and full household appliances. From the kitchen, there is access to the private patio, where there is an athermal boiler and a...(Ask for More Details!)
