This extraordinary property spans a total of 60,000m², with 40,000m² already cultivated and 20,000m² remaining unexploited, ready for your development or further agricultural pursuits. The cultivated area boasts a thriving mango plantation with 3,500 trees, including 2,000 of the esteemed Osteen variety and 1,500 Keith mangoes. Complementing this, the estate includes two modern greenhouses that house 1,500 plants, ensuring a steady and diverse agricultural yield. A key feature of this property is its impressive water resources, including a 7 million litre water reservoir and 2 hectares of water surface area. These assets not only support current agricultural activities but also provide a solid foundation for any future expansion or new...(Ask for More Details!)
