A legendary estate in the El Alamillo neighbourhood, a stone's throw from everything - and far from everything else.

Just 20 minutes from Málaga Airport and the beaches of the Costa del Sol, this one-of-a-kind property transports you to another world. 200 years of history, organic farming since 1981, zero radiation, and an energy you feel the moment you step through the secure gate of this private estate.

592 m² of house on 6,500 m² of land. Two distinct wings - the old and the new - each on two levels, offering rare flexibility: 3 bedrooms with en-suite bathrooms, 2 home offices, 2 living rooms (each
