Near Arenas, nestled in the gentle hills of the Axarquía, lies this versatile property with several buildings and stables a true project for people with vision. On a plot of just over 2,200 m2, there are various partly connected structures with a total built area of around 300 m2. These include several storage buildings, additional outbuildings, and a total of 10 horse stalls. A particularly interesting feature: the largest of the storage buildings was constructed with the structural capacity to support a house being built on top without the need to modify the hall itself. A rare opportunity to combine living and working in the countryside or to bring a...(Ask for More Details!)
