Exclusive Semi-Detached House with Sea Views

We are delighted to present this stunning semi-detached villa located in the prestigious Hacienda Paredes area.

The main entrance opens into a spacious open-plan living room and kitchen filled with natural light. The property offers direct access to the front garden, the south-facing side garden with sea views, a double-height east-facing area, and the rear west-facing terrace accessed from the kitchen. Both outdoor spaces are interconnected, creating an exceptional flow between indoor and outdoor living. This floor also includes a guest toilet.
