Land a Plots in Canillas de Albaida €106,000

1	1	10,548m²	10,548m²	N/A

Just 5 km from the charming white villages of Canillas de Albaida and Árchez lies this rustic plot a place where peace, nature and possibilities come together. With a total of 10,548 m2 divided into three parcels, it offers plenty of space for creative ideas: from a self-sufficient garden to a private retreat or a sustainable countryside project. The land is undeveloped and currently has no electricity or water connection ideal for those looking to live off-grid or create something unique and authentic. The three parcels can be purchased together or separately, offering flexibility for different needs and budgets. A special place for nature lovers, visionaries, and those seeking something...(Ask for More Details!)
