OTIUM PERNET - The Villa of the Future. Built Today.

New Build · Estepona · Costa del Sol

Some properties are sold. Others are experienced. Otiom Pernet belongs to the second category. Conceived by architect Álvaro de Luna as a living organism - an architecture that breathes, responds, and protects - this brand-new villa in Estepona redefines what it means to live well in the 21st century. This is not simply a question of luxury. It is a question of intelligence, health, and responsibility - to the environment, and to the generations that follow.

Set on a 581 m² rectangular plot bordering a 50,000 m² protected green zone, in a completely quiet
