Two-bedroom apartment with panoramic sea views and 75 m² terrace - Benalmádena
A 2-bedroom, 2-bathroom apartment of 120 m² with a 75 m² terrace - split between covered and open-air space - set within one of Benalmádena's more serious residential communities. Completed in 2020.
The stand-out feature: panoramic sea views that run uninterrupted from the kitchen, through the living area, and into the master bedroom. No neighbour, no building, no compromise in the sightline.
The 120 m² lives considerably larger than the number suggests. The proportions are no accident - the layout was opened up during construction, which gives the living area a scale most apartments
