The entire farm is fully organised and automated. Management is currently entrusted to a local farmer who handles all maintenance, irrigation, tending and harvesting tasks, allowing the owner to enjoy a source of income without the need for direct involvement.

The estate has excellent water resources, including a supply from neighbouring wells, its own well authorised by the Hydrographic Confederation, and two impressive reservoirs, one with a capacity of 900,000 litres and the other 320,000 litres, ensuring efficient irrigation of the entire plantation throughout the year.

Furthermore, there is the option to purchase an adjoining plot, owned by the same owner and not
