Exceptional Estate with Luxury Villa, Tropical Fruit Plantation and Endless Mediterranean Views
There are places you simply visit, and others that transform the way you live. This exceptional estate, located in La Herradura, one of the most exclusive areas of the Costa Tropical, offers a rare combination: an elegant luxury villa with breathtaking Mediterranean views, complete privacy, and a fully operational tropical fruit plantation.
Built in 2003, the villa offers approximately 235 m² of living space and has been designed to make the most of the natural light and the spectacular surroundings. Spacious interiors, floor-to-ceiling windows, high ceilings and a seamless connection between indoor and outdoor living create an
