A truly one-of-a-kind luxury apartment on Marbella's prestigious Golden Mile, offering the privacy and feel of an independent home together with the security, services and five-star amenities of the renowned Monte Paraiso gated community.

Located just minutes from Puente Romano, Marbella Club and the beach, this exceptional single-level residence occupies a privileged position within Monte Paraiso and benefits from its own independent entrance, abundant natural light and generous living proportions rarely found in apartment living. Combining the comfort of single-level living with the scale and privacy more commonly associated with a private villa, this is one of Marbella's most unique luxury properties.
