Set among the pine forests in the most sought-after and rapidly developing area of El Faro de Mijas, this beautifully appointed apartment in an exclusive residential complex offers panoramic views of the Mediterranean Sea and evergreen woodland - the so-called "lungs of the coastline", one of the most ecologically pristine spots on the Costa del Sol.

The complex is a secure gated community with 24-hour surveillance cameras, located next to the popular Los Amigos beach hotel resort and just a short walk from an eco-certified clean beach. The neighbourhood is remarkably quiet and peaceful, yet all essential amenities - cafés, pharmacy, restaurants, shops - are within easy walking distance.
