Discover this exclusive property located in the charming enclave of Benalmádena Pueblo, a place that combines the tranquility of a traditional Andalusian setting with proximity to all necessary amenities. This fully renovated home offers 250 m2 distributed over two floors, with a functional and elegant design that ensures maximum comfort. It boasts extraordinary panoramic sea views. It features four spacious bedrooms and three bathrooms, two of which are en suite. Its southeast orientation guarantees natural light throughout the day and sea views from various points in the house. All rooms benefit from natural light.

On the ground floor, you will find a charming en suite bedroom with a large dressing room.
