N/A

258m²

N/A

Urban plot for sale in Teatinos, one of Málaga's most sought-after residential areas with strong future growth potential.

The plot benefits from an approved architectural project and a granted municipal building licence, allowing the buyer to move forward with the development without having to start the planning and administrative process from scratch.

The transaction includes the transfer of the land together with the technical documentation associated with the project, including plans, the approved project, the building licence and all other available documentation.
