Set in one of Estepona's most desirable addresses, this top-floor residence on Calle Terraza captures the essence of refined Old Town living. Recently transformed into a fully pedestrianised boulevard, Calle Terraza has quickly become the town's most sought-after promenade-an elegant setting where café terraces spill into the street, boutique shops line the walkway, and daily life unfolds at a gentle, sunlit pace. From this privileged position, the apartment enjoys open views across the lush greenery of Plaza del Rocío, a rare pocket of palm and jacaranda trees that brings a sense of calm and space rarely found in the historic centre, all within a short 500-metre stroll to the beach.
