A unique investment opportunity in the sought-after La Tarraula area of Jávea!

This offer includes two adjacent urban plots with a total area of 4,158 m² (one plot of 2,491 m² and one of 1,667 m²).

The plots are located in a quiet and green area, surrounded by nature and with easy access to the beach, the old town and the port of Jávea.

The land still needs to be urbanised, which offers flexibility for future development ideal for building one or more modern villas with spacious gardens and private pools.
