These villas sit atop the much sort after residential area of Ciudad Quesada (Rojales), heart of the southern Costa Blanca and next to La Marquesa Golf course.

These amazing bespoke signature villas are built on large plots next to amenities and services and just a short 8 minute drive to the beaches of Guardamar.

Many factors have gone into the design of these properties with both Mediterranean and North European influences at all levels of construction with that small hint of British evident in several details of these villas.
