****Rustic Poultry Farm with Integrated House and Swimming Pool****

Discover this outstanding opportunity to combine business and country living. This exceptional rustic estate, dedicated to poultry farming, is set in a privileged natural environment. The property perfectly combines agricultural production with comfortable residential living, surrounded by spectacular views.

The main residence is a unique house built directly into the rock, providing natural climate control that maintains comfortable and stable temperatures throughout the year without the need for conventional heating or cooling systems. It features two cosy bedrooms, two bathrooms, a terrace,
