Villa in Monovar - Monover

€493,000

3	3	189m²	N/A	N/A

YOUR IDEAL HOME

Discover the perfect villa where design, quality, and comfort come together to offer you an unparalleled lifestyle.

It will feature all necessary services, including water and electricity supply, the installation of a photovoltaic panel system for self-consumption of electrical energy, and a wastewater treatment system using a biological oxidation plant.

It will boast high-quality finishes and an extensive specification list of luxury qualities.

Equipped with an 8x4 pool with an outdoor shower, a porcelain perimeter around the pool,
