Villa in Benalmadena

€899,000

4	3	264m²	756m²	N/A

This charming detached bungalow villa in Benalmádena offers a rare combination of an exceptional location, breathtaking panoramic sea views, and the opportunity to create a truly spectacular home. Set on a south-facing plot, the property enjoys sunshine throughout the day while overlooking the Mediterranean Sea.

Designed entirely on one level, the villa offers comfortable and practical living. Beneath the property is a spacious garage that could easily be converted into a self-contained guest apartment, home office, gym, or entertainment area, adding further value and flexibility.

A significant part of the villa has already been renovated to a high standard. The spacious open-plan
