A truly unique property with history, soul, and panoramic sea views.

Located just minutes from the charming town of Benissa, this exceptional 18th-century finca is the oldest residence in the area. Fully reconstructed and restored with respect for its historical value, it offers an extraordinary blend of heritage and comfort in a tranquil, private setting.

Set within more than 25,700 m<sup>2</sup> of private land, the estate enjoys total privacy, surrounded by Mediterranean gardens, fruit trees, and mountain scenery. From the property, there are unobstructed views stretching from the valley of Benissa to the beaches of Calpe, including the Peñón de Ifach and the Sierra de Olta.
