Penthouse Ciudad Quesada with solarium and open salt lake views

In Ciudad Quesada on the Costa Blanca South, you will find this modern penthouse in a well-maintained residential complex. The property offers a functional layout, spacious outdoor areas and open views over the La Mata salt lakes. On clear days, you can even see a subtle line of the sea on the horizon.

This penthouse is ideal for buyers looking for a ready-to-move-in property in a good location. It is sold fully furnished as shown in the photos, making it suitable for both personal use and rental investment.
