14,000m²

N/A

14,000 sq.m of land currently under cultivation, located between Albatera and San Isidro.

It is very well connected to the highway to the coast, the airport, and the cities of Elche, Alicante, and Murcia. This land has water and electricity connections, is fully fenced, and also has the structure to finish a house that has already started. A perfect place for nature lovers, yet with all the services needed for daily life.
