Located in a small and exclusive frontline beach urbanisation of just 36 houses, this property offers a rare opportunity to create a bespoke home with direct beach access, a communal pool and a peaceful coastal setting.

The house currently features two en-suite bedrooms on the upper floor, including a master bedroom with terrace and sea views. The property requires full renovation, offering excellent potential to redesign into a 3-bedroom, 3-bathroom home.

A key highlight is the lower ground floor with independent access, already equipped with a kitchen and bathroom, ideal to create a separate apartment or guest space.
