Substantial semi-detached family house of 246 m² built over three levels in the established Coto de la Serena (Sotoserena) urbanisation, on the east side of Estepona and just a 10-minute walk from the beach.

The house offers three bedrooms and four bathrooms, including a convenient master suite on the ground floor, a living room with fireplace, private terraces and a garden within a community that also enjoys a communal pool. Air conditioning and a storage room complete the offer. The property now needs updating - which is precisely where the opportunity lies: plenty of built space at a price that leaves real margin to renovate to your own taste.
