VILLA IN SERRALLONGA, BENISSA

Set within an expansive 11,672 m² plot in Benissa's peaceful Serrallonga area, this elegant three-bedroom, three-bathroom villa seamlessly blends modern refinement with classic Mediterranean style.

Whitewashed facades, traditional pitched roofs, terracotta tiles, and exposed timber beams honor Costa Blanca's heritage, while clean lines and soft, natural finishes deliver contemporary sophistication.

At the core of the home lies a sunlit open-plan living, dining, and kitchen area.
