220m²

1,094m²

N/A

Flat and sunny plot with a South orientation and approved building permit in the El Tosalet urbanization, close to all services but surrounded by tranquility.

Would you like to build a home in Jávea just a stroll away from Calablanca? Do you want to enjoy a new villa without the complications and paperwork of starting from scratch?

We present this urban land with an APPROVED BUILDING PERMIT, READY TO BUILD.

Located in the prestigious urbanization of Tosalet. It is one of the few plots for sale in Jávea available so close to the sea and all services. Additionally, you can modify countless options according to your liking: from the number of rooms and...(Ask for More Details!)
