Some homes go beyond aesthetics and are designed to offer a different way of living.
This exceptional property in Bahía de Marbella is the result of years of research by its owners into healthy architecture, natural building methods and wellbeing, combining a carefully selected range of natural materials, technology and solutions designed to maximise comfort.
Located on the second line from the beach, just a few steps from the sand, it combines privacy, nature and high-end amenities in one of the most sought-after gated communities in East Marbella.
A home where true luxury lies in the details.
