In the heart of Benissa stands this majestic 19th-century historical estate, a grand architectural gem where Mediterranean tradition reaches its ultimate expression. Stepping through its gates means entering a realm of timeless elegance, where flawless hydraulic tile mosaics, period fireplaces, and high ceilings with exposed wooden beams tell a story of over a century of history and distinction. Boasting an impressive 1,402 m² built area on a private urban plot of more than 4,250 m², this property represents a unique canvas of space, privacy, and character. The building is distributed over four levels designed to captivate: from an imposing entrance hall of over 50 m² and sun-drenched living rooms to attic...(Ask for More Details!)
