Alhaurín el Grande, Gated Community, 5 Bedroom Townhouse Plus Parking

An opportunity to purchase a generously sized, five bedrooms, two and a half-bathroom townhouse within a gated community and walking distance to Alhaurín town centre. This family home is clearly well-loved and maintained by the current owners who have updated and improved the property throughout their ownership.

This stunning home is highly unusual and believed to be unique in being the only townhouse development of its kind located within a small, secure gated community of just six properties all of which enjoy the communal area courtyard, underground car parking with additional storage space
