3	4	360m²	N/A	N/A

Exceptional corner townhouse for sale in Arco Iris, an established gated residential community on Marbella's prestigious Golden Mile, close to Puente Romano, Forum Marbella, the beach, restaurants, international schools and everyday amenities.

The property offers approximately 360 m² built and 64 m² of terraces, distributed across four spacious levels. It currently features three bedrooms and four bathrooms, including three en suite bathrooms. Thanks to its generous proportions and flexible layout, a carefully designed renovation could potentially create up to six bedrooms, subject to technical feasibility and the necessary approvals.
