Penthouse with an 80 m² solarium and 180° sea views - Las Buganvillas, Sitio de Calahonda
Most apartments on this stretch of coast give you a small balcony. This one gives you an entire floor.

The apartment is 74,71 m² built, on the fourth floor with a lift to the door and nobody living above you. You come in to a small hall with the kitchen immediately on your left - white gloss units, stone worktops, induction hob, and an open serving window through to the dining area. Straight ahead the living and dining room runs the width of the property, south-facing, so the light lasts all day. The sleeping wing opens...(Ask for More Details!)
