p>Urban plot located in the exclusive residential area of Galeras de las Palmeras, in Altea. With a total surface area of 2,120 m², it stands out for its excellent location within a well-established residential environment, pleasant sea and green area views, and great potential for the development of an exclusive villa. The plot has a maximum buildability of 442.40 m² and a maximum occupancy of 395 m², allowing the construction of up to two floors plus a basement or semi-basement, with a maximum height of 7 meters. It is located just a few minutes from the beaches, the marina of Altea, golf courses, restaurants, and all necessary services. This makes it an...(Ask for More Details!)
