Duplex Penthouse - A Lifestyle Concept for Those Who Want More

This is more than just a home. It is a lifestyle choice. A duplex penthouse for those who value security, investment potential, understated luxury, and a lifestyle where every detail has been carefully considered.

Located in Vista Real, one of the area's most sought-after and secure communities, you are not simply buying a home - you are investing in 24-hour security, controlled access, premium neighbours, and stable long-term value appreciation. This is a residence where security and quality are just as important as the view.
