In Las Rotas, Dénia, one of the most prestigious residential areas of the Costa Blanca, this spectacular independent villa is located, surrounded by Mediterranean nature and with open sea views. A unique property that combines tranquility, privacy, and the privilege of living very close to the Mediterranean.

With a plot of 3,000 m², the home is distributed over several floors and offers spacious and bright rooms that cater to those looking for a permanent residence in Dénia as well as those wishing for a vacation home with all the amenities.

Outside, the space is designed for enjoyment year-round: private pool with solarium, sunny terraces
