Comfortable and spacious 3-bedroom, 2-bathroom apartment located in a dream residential complex. Upon entering, to the right, there is a smaller bedroom, currently set up as an office, ideal for remote work or as a study area. In continuation we find a modern and well-designed kitchen connected to the living room, creating a practical and welcoming space. The living room features a fireplace that warmly heats the space and creates a cozy atmosphere on winter evenings. The apartment is key ready, sold as seen with everything included.

Both the living room and the master bedroom have access to a large terrace with pleasant views of the garden and the swimming...(Ask for More Details!)
