Bright Contemporary Andalusian Semi-Detached House of 240 m²

Elegant south- and east-facing townhouse that combines traditional Andalusian charm - patio, light and open spaces - with modern solutions: smart glass, solar panels and a major renovation. Maximum comfort, energy efficiency and quality of life in a quiet, sought-after gated residential complex.

Innovation, Comfort & Sustainability

Smart glass in the living room and kitchen: exceptional privacy, thermal and acoustic comfort, and lower energy use
