Country House in Benissa

€790,000

3	3	460m²	5,100m²	N/A

Located just minutes from the city center and the coast, this immaculate renovated finca represents the perfect balance between the charm of the Spanish countryside and the functionality of a high-quality modern refurbishment. Access to the property, whether via its pedestrian entrance or through its electric gates, leads to a spacious parking area with covered capacity for four vehicles, anticipating the spaciousness and order that define the entire plot.

The residence is intelligently distributed over three levels, where natural stone and original architectural details coexist with a comprehensive technical renovation. The sleeping area comprises three main bedrooms and an additional intermediate room, currently optimized as an
