Very special (end 2025 built) 3 bed designer home (115 m2) with sea views & enormous (249 m2) luxury patio garden (called a Garden Villa). Only 15 mins walk to beach, train station, shops, restaurants and within the Exclusive El Higueron Resort with Hilton Hotel, Spa, Sports & Beach Club.

PROPERTY (115 m2) + (249 m2) PATIO GARDEN

This very special property has a designer yet homely feel with the use of lots of wood and stone throughout and feels just like a modern luxury villa, hence the developers (Garden Villa) name for this unit.
