Villa Summer Winds

Distinctive Architecture, Panoramic Views and Exceptional Versatility in Salobreña

Welcome to Villa Summer Winds, an exclusive and characterful villa tucked away in a peaceful cul-de-sac within the sought-after Monte de los Almendros residential area, on Granada's beautiful Costa Tropical.

Designed by architect Kuntz, the villa stands out for its playful multi-level layout and strong connection with the surrounding landscape. With 335 m² of living space on a generous 841 m² plot, the property follows the natural contours of the land, creating a unique sense of space and offering
